

# Florence Art and Restoration Fair

Submitted by campbell on 27 Jun 2014

Thursday, 13 November, 2014 to Saturday, 15 November, 2014

Place:

Florence

The fourth biennial international Art and Restoration Fair in Florence will take place from 13 to 15 November 2014 at the Fortezza da Basso Exhibition Centre. The Fair will be an event of extremely high relevance for the restoration, conservation and preservation of our cultural heritage.

We are working in partnership with and are supported by many prestigious national and international organisations. This year's Fair, therefore, will be bigger and better than previous events with more scientific and cultural activities as part of the programme. We are expecting over 20,000 visitors and already have had confirmation of attendance from high profile, national and international delegates and organisations.

You may participate by attending, hiring an exhibition or desk space, advertising or sponsorship. You are also welcome to organise a cultural or scientific event to be held in one of the reserved areas inside the exhibition centre or at any other prestigious city centre venue. Please note that for all events to be approved and exhibitions to be booked, we need to receive the relevant information and documents before the various deadlines. All relevant documents can be downloaded from the website: [www.salonerestaurofirenze.org](http://www.salonerestaurofirenze.org)

Ticket prices: 1 day 10 euros, 2 days 15 euros and 3 days 20 euros.
