

## Florence Art and Restoration Fair

Following the great success of the third edition in 2013, we are pleased to announce that the fourth Florence Art and Restoration Fair will take place from 13 to 15 November 2014 at the **Fortezza da Basso**. This year the international vocation of the biennial Fair is growing and, once again, the event promises to maintain an extremely high cultural and scientific level which reflects current research and trends in the world of cultural heritage.
